# GIMME PACK 

## Cost: \$40 <br> Gimme Putts: 4

Each gimme putt is represented by a sticker. You can use these gimme putts as an alternative to putting the ball after landing on the green. Each gimme counts as one stroke. Please apply the sticker to the scorecard next to each hole after using a gimme.

A gimme can only be used if the ball is on the green (fringe doesn't count) and has to be decided before any member of the team has attempted the putt.
